

HVAC Service Technicians & Apprentices

Growing family owned company seeks experienced, certified HVAC service techs and apprentices. We offer continuing education, very competitive wages, company vehicles, uniforms, and health & dental benefits, paid time off, and more.

Position will include residential & commercial HVAC & refrigeration troubleshooting & repairs. Commercial refrigeration, geothermal and alternative energy experience a plus. You will be the face of our company to our clients, so we are seeking clean cut, personable and articulate candidates capable of providing excellent customer service.

Positions require solid recordkeeping, attention to detail, and ability to keep meticulous notes as well as excellent verbal and written communication skills. Must have computer & tablet experience as all of our dispatch & record keeping is electronic. Minimal travel required, mandatory OT and on call shifts periodically.

If you have all of the above, along with a solid employment history, clean driving record, verifiable references, and the ability to pass drug & background screens, we want to talk to you!
